

School of Business and Economics

Master of Business Administration (MBA)

Programme is offered ONLINE until further notice

Saweni Campus and Suva (Samabula)

The University of Fiji is inviting applications for admission of new students in the Master of Business Administration (MBA) Programme for Trimester II, starting from 8th June, 2020. The programme is designed to develop participants' skills for specialised executive positions in public and private sectors in a global environment. The programme will also benefit those wishing to be successful entrepreneurs.

The UniFiji offers three specialisations to fulfil your aspirations in your desired career path. You have the opportunity to select one of the 3 specialisations from the following:

- **MBA - (General Management)**
- **MBA - (Human Resource Management)**
- **MBA - (Tourism and Hospitality Management)**

New students need to complete postgraduate certificate successfully to continue studies for postgraduate diploma and then to become eligible to study for full MBA in the respective specialization.

Entry requirement:

- Degree in any discipline and have at least three years of supervisory/managerial experience. OR
- Applicants with no bachelor's degree but holding at least five years of senior/middle level managerial positions at reputed organizations are considered on a case-by-case basis.

Completed application form should be sent to:

The School of Business and Economics (MBA),

The University of Fiji, Private Mail Bag, Lautoka by 5th June, 2020.
