

Moodle Mobile / Desktop App Installation Instructions

STEP 1:

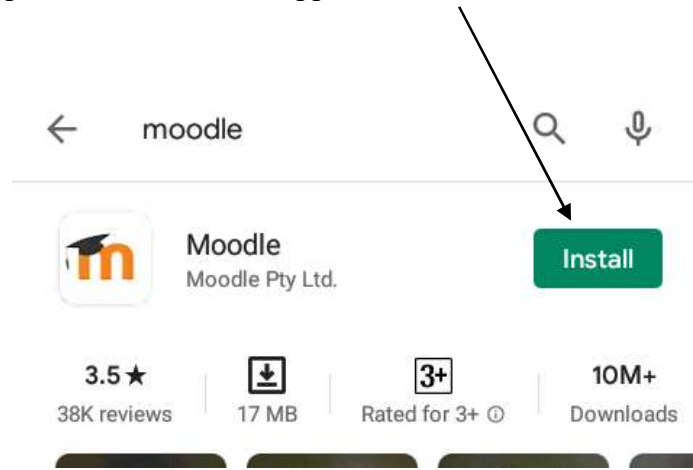

Open Google Play Store / Apple Store / Microsoft Store on your device and search for **moodle** in the search bar and look for the icon below:

(Use the link <https://download.moodle.org/desktop/> to download and install the desktop app for older version of Windows.)

STEP 2:

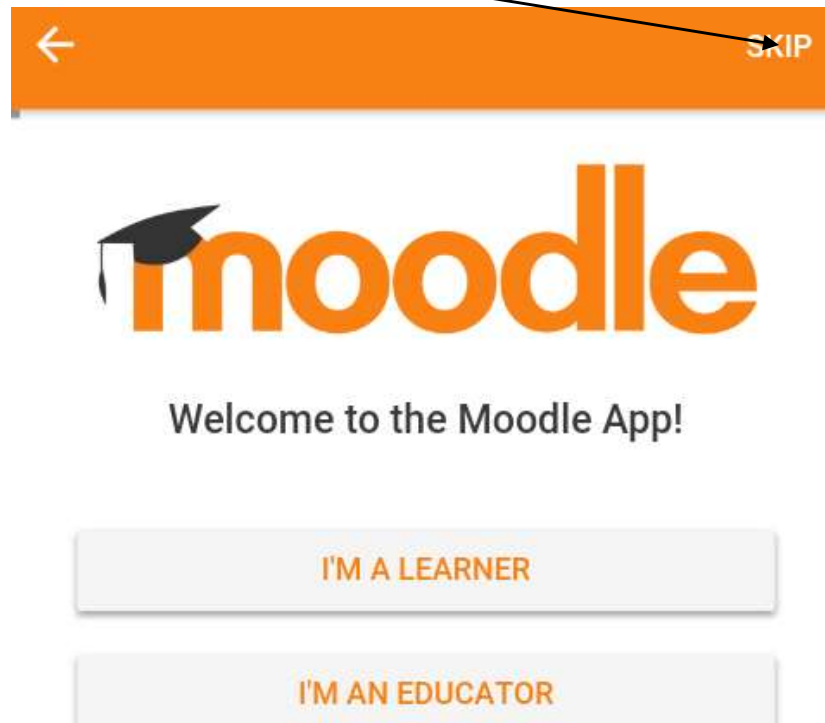

Upon locating the application on the store app, select **Install** to install the app.

STEP 3:

Once the app installed, it will ask you to specify if you are an Educator or a Learner. Please select **Skip** on the top right of the screen.

(This option may only come on selected versions. If you do not get this option, skip to STEP 4.)

STEP 4:

The application will ask you to enter the URL for the Moodle Site. Enter the URL below on your moodle mobile app on the **Your site** field and select **Connect to your site**.

<https://elearning.unifiji.ac.fj/moodle>

Connect to Moodle

Your site
<https://elearning.unifiji.ac.fj/moodle>

Please select your site:

 Connect to your site
elearning.unifiji.ac.fj/moodle >
