

# The University of Fiji

## Virtual Information Session

The University of Fiji will hold its second Virtual Information Session on Saturday, November 13<sup>th</sup>, 2021 from 9am. The first Session was held on November 6<sup>th</sup>.

The Session is streamed live simultaneously on the University's YouTube, Facebook and LinkedIn pages.

The Virtual Information Session aims to provide information on the University programmes, admission criteria and availability of support services to prospective students. The Session allows students in Year 12 and 13 to ask questions about the University, which are answered in real time.

Speaking about the Session, the Registrar, Ms. Karishma Mani said the University has online platforms for learning and teaching and operates in blended mode making learning flexible for students.

"The University will continue to reach out to its prospective students and provide as much information as possible assisting them in choosing University of Fiji as their tertiary education provider," she said.

The University encourages Year 12 and 13 students to register for the Session. The link for registration is below:
